## SELECTMEN'S REPORT

Over one half of the Town appropriation goes to repair and maintain our roads. In 1990, \$50,000.00 was earmarked for the paved road improvement program. Work was done on Church Street, Hubbard Road, Gilsum Road and Valley Road. The work on Church Street and Gilsum Road involved rebuilding and chip sealing. The chip sealing was selected as an alternative to the more expensive paving. It will be interesting to see how this work holds up. Much of the remaining paved road has broken up to the point that rebuilding will be necessary.

Water problems of one kind or another at the Town Hall seem to be a part of each annual report. This past fall it was surface water rushing into the furnace room. Other maintenance projects were postponed to repair the oil burner and grade above the hall.

The Town was shocked by the 43% increase in the tax rate. It certainly generated a new awareness of the relation between spending, state aid and the property tax. Presentations were made by school, town and state officials at a public hearing in November. While perhaps more questions were raised than answered, the interest shown in state and local government was most welcome.

A concerted effort to enforce state statutes relating to dog control resulted in a large increase in license fees collected. Perhaps of greater importance is the improved compliance with the state rabies inoculation law.

The selectmen had three different secretaries during the year. Thanks largely to Sarah Burke, the paperwork was kept more or less under control during these transitions. This points up the fact that the Town is dependent on "semi-volunteers," people who carry on Town affairs for very modest remuneration or in most instances with no compensation at all. Again this year there will be vacancies in Town government after Town Meeting. Volunteers will be needed. Please speak to a selectman or Connie Lester if available and interested.

The selectmen wish to thank all Town officials, volunteers and interested citizens who contributed their time and talent to the Town during 1990.

Permits issued during the year were as follows:

Building - New	5
Campground	1
Junkyard	3
Firearms, Sale of	1
Pistol	10
Building, Temp.	1

## **ROAD AGENT'S REPORT**

The summer of 1990 took its toll on the dirt roads, washing out Ferry Brook hill a number of times, as well as Corey Mine and Gilsum Roads. The Town received money from FEMA for Ferry Brook and Corey Mine Road, which will be used in 1991.

The winter of 1991 had a lot of small storms which were time and cost consuming. Equipment is in good running condition, except for the grader, which is in bad shape and should be replaced.

This is my last year, and I would like to thank everyone who voted for me and supported me through the years.

Thank you  
Jim Robinson

## **GRADER COMMITTEE REPORT**

Members present at the Grader Committee meeting of February 21, 1991 discussed options for replacing and/or repairing the Town's grader. Members decided to obtain an appraisal to determine the cost of repairing the grader before making any further decisions.

Mike Pratt, Chairman,  
Grader Committee

## CONSERVATION COMMISSION ANNUAL REPORT

The Sullivan Conservation Commission enjoyed another successful year of serving the Town's natural resource conservation needs. Our monthly meetings achieved several objectives, as did our periodic sponsorship of Town wide events. First and foremost, the Town wetlands mapping project was completed with the assistance of an Antioch Graduate student, Rebecca Berge. We now have 3 mylars & 3 blue line maps of Town resources. The wetlands, soil features & baseline topographic maps at a 1" = 1000' scale will no doubt prove invaluable to future planning concerns. Secondly, Earth Day 90' came in with a successful cleanup of the Town park, and the planting out of 2 dozen "wildlife shrubs" around its perimeter. Thirdly, conservation field days found numerous intrepid citizens discovering the beauty & the mystery of some of Sullivan's prime natural areas. Sometimes late into the dwindling light of evening! Although our town-wide conservation survey was inconclusive, several other newsletter contributions provided informative updates on the latest statewide issues of environmental concern. These were augmented by several related site visits, that provided both the selectmen & the planning board with needed advice on developments in Town. Finally, the commission's participation in state & regional workshops & meetings enhanced its ability to adequately deal with a rapidly changing field of regulatory requirements. This coming year's objectives shall include the amendment and/or revision of our community planning ordinance regarding septic setbacks, wetlands, and gravel extractions.

Additionally, I would like to thank our clerk, Becky Cummings and our other hard working commission members for their long hours of dedication. With theirs & the other Town members support, the conservation commission will continue to safeguard Sullivan resources in an equitable and environmentally sound way.

Respectfully Submitted,

Rick Van de Poll, Chr.

## **SULLIVAN PLANNING BOARD REPORT**

During 1990, the Planning Board completed a first draft of the update to the Town's Master Plan. The Board decided to wait until the publication of the 1990 Census figures to complete the Master Plan.

Several members of the Board attended the annual Municipal Law Lecture Series which dealt with solid waste, roads and performance bonds. In addition, individual members attended seminars and meetings dealing with impact fees and attracting industry.

During the Year ending December 31, 1990, the Board accepted two subdivision proposals and approved them. In addition, one proposal that was pending from 1989 was approved.

The Board's main goals for 1991 will be to complete the Master Plan. Once that goal has been achieved, the Board can turn its attention to updating the Town's policy on gravel pits, develop a regulation for cluster housing and begin work on a capital improvements program

Chairman

## POLICE DEPARTMENT REPORT

In 1990 the Sullivan Police Department answered 79 calls, most of which were minor problems, i.e. dogs, domestic complaints and speeding. We had some vandalism and malicious destruction as well as some burglaries, all of which have been solved with the exception of one burglary and one robbery. The State Police are handling these cases so that when I leave the department after 19 years of service all the crimes will have been solved and disposed of with the exception of these two.

Without the help of the townspeople this would not have been possible and I wish to thank you for your help and support that made my job much easier. I also hope that you will support the new constable as you did me.

Constable Carl Wheeler

## 1990 LIBRARY REPORT

Statistics for 1990 are as follows:

★ New Library patrons.....	24
★ Total Registered Patrons.....	365
★ Number of adult books circulated.....	1183
★ Number of juvenile books circulated.....	2084
★ Total number of books circulated.....	3,267
★ Number of Inter-Library loan books.....	185

The Library hosted a variety of programs last year. Among them was a **Hobby Show and Talk** presented by Dennis Noonan and Chris Pratt. Alan Corindia gave a slide show on the "**Friendly Huts of the White Mountains**". Bruce Clement, from the Cheshire County Extension, was there to talk about "**Planting Vegetables**". And the Library helped to celebrate the **Tenth Anniversary of the Sullivan Newsletter**.

During last summer the Library Trustees sponsored the **Annual Vacation Reading Program**. The theme was "**Get that Reading Rhythm**". Twenty nine children participated. At the end of the program a party was held and Matt Burke was there to provide musical guidance. Awards presented to the participants included certificates signed by Governor Judd Gregg.

The Friends of the Library once again hosted the **Easter Egg Hunt** and a **Visit with Santa**. With their help we participated in the Craft Fair held last spring by the Church. And of course, the **Annual Holiday Fair** was held last November.

There are a number of town organizations that use the Library facilities for their meetings. They include the **Planning Board, Conservation Committee, Library Trustees, Friends of the Library and the Supervisors of the Checklist**.
